

AWARD WINNING FIRST AID TRAINING

Giving you the confidence to help save life

Course Profile

Emergency First Aid at Work

Duration

9.30am – 4.30pm

The course aims to teach delegates basic aspects of dealing with emergencies, with an emphasis on those occurring in the workplace.

Handling 'life threatening' situations is covered as well as recognising and responding to some of the more common ailments that may be encountered at workplace.

Objectives

On completion of the course, delegates will be able to recognise and deal with:

- The role of a First Aider
- Managing an Emergency situation
- Administer First Aid to an unconscious casualty (including seizures)
- Administer CPR
- Choking
- Management of a wounded & bleeding casualty
- Administer First aid to a casualty suffering from shock
- Stroke
- Effects of Heart Attack
- Provide appropriate First aid for injuries (including small cuts, grazes and bruises, minor burns and scalds, small splinters).
- Head Injuries

Group discounts available if booked with other First Aid courses.
