

Course Profile

Emergency First Aid for Children

Duration

2 - 3 hours

The course aims to teach children basic aspects of dealing with emergencies, with an emphasis on those occurring in the home.

Handling 'life threatening' situations is covered as well as recognising and responding to some of the more common ailments that may be encountered at home.

Objectives

On completion of the course, delegates will be able to recognise and deal with:

- + The principles of first aid
- + Emergency actions
- + Unconscious casualties
- + Non-breathing casualties
- + Head injuries

Prerequisites

Nil

Group discounts available if booked with other First Aid courses.

Ask your sales Representative or call us

Suitability

The course is ideal for parents and carers of young children and who feel that a basic knowledge in the subject would be useful to older students or siblings.

Typical Interest Groups:

7+ or Year 5 upwards, Home Study Groups or Parents, Grand-Parents, Parents, Play schemes.

Qualification

On completion of the course, delegates will receive an 'Emergency First Aider' certificate which is valid for three years.

Course Size

Maximum of 12 candidates

Course Cost

£32 per person or £250 per group
